Article 15 - Feeding: A fixed feeding area is set up. It will be used in all the four laps of the Lissolo Circuit and is placed in Olgiate Molgora, via Lombardia, and is clearly marked with specific signposting. Further information regarding feeding will be given by the Commissaires Panel during the technical meeting.

Article 16 - Environmental Preservation: The 77th Coppa Ugo Agostoni – Giro delle Brianze – Gran Premio BANCO BPM is an event which is harmoniously integrated with the environment to promote a 'greener' image of cycling.

To minimize the negative impact on the environment and the damage that the event could cause to the community where it takes place, S.C. Mobili Lissone provides "GREEN ZONES" where riders must dispose of feeding bottles and waste.

More specifically:

- 1) At km 24.5 in Bevera di Sirtori, litter zone for the 4 laps of the Lissolo circuit
- 2) At km 48 in Triuggio
- 3) At km 71,3 in Rovagnate, litter zone for the 4 laps of the Lissolo circuit
- 4) At km 186 in Triuggio
- 5) At km 191 in Lissone

The Organiser appoints dedicated personnel to collect any waste at the end of the event. Separate waste collection is provided in the start and finish areas.

Article 17 - Traffic Rules Competitors and drivers of accredited vehicles and motorcycles must comply with the Traffic Rules and the UCI Regulations. They must also comply with the instructions of the Organising Management and staff.

The race will be open and closed by "cycling race start " and "cycling race finish" vehicles.

Any rider who abandons the race, or is requested to withdraw, must remove his identification number, and must not join the riders still in the race for any reason whatsoever, assuming, for all intents and purposes, the status of a simple road user.

Any rider who is overtaken by the "end of cycling race" vehicle is to all intents and purposes out of the race and must therefore comply with the regulations of the Traffic Rules.

For anything not covered therein, the Traffic Rules apply.

Article 18 Liability No liability of any kind for damage to persons and property resulting from accidents to cars, motorcycles and bicycles following the race, not owned by S.C. Mobili Lissone, of its collaborators, or for offences committed by participants in the event can in any way be attributed to the organisation and those who collaborate with it; for anything not covered the UCI and FCI sport

regulations of and the provisions of the law of the Italian State, to which the organising company belongs, apply.

Article 19 - Signposting: S.C. Mobili Lissone provides the necessary signposts along the course; no liability shall be borne by the race organiser for route errors that riders may incur as a result of tampering with or removal of the signposts.

Article 20 - Referral regulations:

For all matters not covered by these regulations, the UCI sport Regulations, and the legal provisions of the Italian state, to which Sport Club Mobili Lissone belongs, apply.
